

# Christmas Stories and Crafts

Togiak, December 16th

## Family Fun

It was a fantastic night of Christmas crafts and stories. Families were excited to find a large variety of family-oriented crafts. Many of these involved skills, such as sewing, that are valued within the migrant community. Students were excited to build snowmen and Christmas houses. One of the biggest hits of the night was the photo ornament. Many students and families enjoyed taking photos and choosing an ornament to make a family keepsake.

Students received several classic stories, and each family received a Christmas version of a classic card game for family reading and bonding time. There were multiple Christmas stories for reading during the event. It was so nice to see parents and their children laughing and spending time together over storytime and craft-making.

*Families enjoying  
the evening!*
