

KOLIGANEK MIGRANT EDUCATION FAMILY NIGHT

WEEK OF JANUARY 8TH-15TH

FAMILY GAME NIGHT IN A BAG

Family Game Night in a Bag

Because of the closer of schools due to the COVID 19 virus we had to come up with a creative way to host our first Migrant Ed Family Night in Koliganek. We created Family Game Night in a Bag. We ordered each family a Monopoly Game and a Sorry Game. What is Family Night without food. So we all included Gator Aide and microwave popcorn for each family member. All these goodies were placed into a very large paper bag. On Monday each family member was called to pick up their Family Game Night in a bag. We held the even over a week giving families time to host their Family Game Night. We asked that they send us a picture of their Family Game Night.

Door Prizes

All families who sent pictures of their family game night were entered into a drawing for door prizes. For door prizes we had 2 book shelves, a tool kit and a sewing basket.
