

LITERACY MIGRANT EDUCATION NIGHT

Run run as fast as you can! You can't catch me! I'm the gingerbread man!

The largest and most popular station was the gingerbread cookie and house making station. Students and families enjoyed decorating and eating their very own tasty treats! The gingerbread houses were creative and colorful!

Ornament Making

Glitter was in full force with a variety of ornament making stations! This station gave our families keepsake opportunities with their kids! Everyone had a sparkling good time!

Santa Claus is Coming to Town ...

Students were given the opportunity to write letters to Santa and put them in his very own special made post office box!

Christmas Comes Early!

Our migrant education families had a Christmas themed night at Togiak School. We had five themed stations with different crafts and activities. All migrant students were able to spend \$100 at the opening night of the Scholastic Book Fair. Smiles were everywhere you looked as everyone enjoyed the festivities!
