## Parent Survey

**Qaneryaram mumigcesqumallranek ikayuryukuvet, qayagauryugngaun nunavceni elitnaurvik wall'u district office-aaq Curyungmi.**

We want to hear from you! It is time for the annual parent survey. The survey has been shortened and only takes a few minutes to complete.

In order to provide that support, the district is asking for your thoughts about four main areas including:

- the educational needs of the your children;
- how we can help parents/guardians support education in the home;
- the overall operation of educational programs; and
- opportunities for parents to be involved in the development of educational programs

There are a variety of methods for which parents can provide feedback and/or ask questions about educational programs. These methods include:

- The public comment time at SWRSD School Board meetings (*call 907 842 5287*).
- The public comment at local CSC meetings (*contact your local principal*)
- Participate and complete survey forms
- Provide comment to the district at [feedback@swrsd.org](mailto:feedback@swrsd.org)

In addition, information regarding equal participation in educational programs for Alaska Native/American Indian students compared to other students and educational programs will be presented at a School Board meeting in November or December, 2024.
